

Microbiology Society Publish and Read (PAR) 協議說明

依據 Microbiology Society 與中央研究院生命科學圖書館簽訂的 2024–2026 年 Publish and Read (PAR) 協議，符合資格的通訊作者，在協議涵蓋的期刊發表 Open Access 文章時，不需另外支付 Article Processing Charge (APC，文章處理費)。

如您為該篇文章的通訊作者，且符合協議的資格條件，即可享有上述 APC 免額外支付之優惠。

您可透過以下連結查詢 PAR 協議涵蓋的期刊：

Microbiology Society Publish and Read (PAR) Agreement Information

Under the 2024–2026 Publish and Read (PAR) agreement between the Microbiology Society and the Life Sciences Library, Academia Sinica, eligible corresponding authors can publish Open Access in journals covered by the agreement without paying an Article Processing Charge (APC) separately.

If you are the corresponding author and meet the eligibility requirements, you can publish without an additional APC.

You can check which journals are covered by the PAR agreement through the following link:
