

EndNote 找不到 Style (for Mac) ?

The image shows a Mac desktop with several windows open during the EndNote X3 installation process. The background is a stone-patterned wallpaper. The dock at the bottom contains various application icons.

1. 點兩下執行主程式 (Click twice to run the main program): A red circle highlights the EndNote X3 application icon in the Finder window.

2. 下拉選單 (Dropdown menu): A red arrow points to the 'Customizer' option in the EndNote X3 application's menu bar.

3. 選取要安裝的 X3 套件 (Select the X3 package to install): A red arrow points to the 'Output Styles' component in the EndNote X3 Customizer window.

4. 點選next依序完成安裝即可 (Click next to complete installation in order): A red arrow points to the 'Next' button in the EndNote X3 Customizer window.

The EndNote X3 Customizer window shows the following components selected for installation:

Component	Installed	Info
