如何在 EndNote 容易取得 PDF 請留意以下兩個方法

(1) Find Full Text
(2) PubMed LinkOut 取得全文
Edit -> Preferences ->

EndNote X5 - [My EndNote Library call]

EndNote Preferences

The Find Full Text feature uses several technologies to maximize the chances that EndNote will find all available PDFs. Use this screen to control those full text search options:

- ISI Web of Knowledge Full Text Links
- DOI (Digital Object Identifier)
- PubMed LinkOut (via National Library of Medicine)
- OpenURL

OpenURL Path: [enter URL]

Authenticate with:
URL: [enter URL]

Examples: https://login.epxyproxy.library.myuniversity.edu/login
http://auth.universityname.edu/authentication

Endnote Defaults | Revert Panel | 確定 | 取消 | 儲存(...)
